

School Uniform

When you come to Our Lady's Primary School you will wear a uniform which is royal blue and black in colour. There are several options for uniform. Which combination will you wear?

Remember to put your name on ALL of your belongings including your coat, packed lunch bag and water bottle.

St Mary, Our Lady of Victories Church

Sometimes we visit the church to celebrate Mass together.

Our Lady's RC Primary School

Welcome to Our Lady's RC

Primary School

This is the reception area.

The Our Lady's RC Primary School family is a very special one. We are delighted to welcome you in.

This is an area for personal time and reflection.

Outside Space

This is our playground. We play outside twice each day... as long as there is not heavy rain or snow!

We also enjoy Outdoor Learning lessons in these spaces.

This is the Trim Trail. We enjoy climbing, swinging and balancing on here. We must always remember to play safely!

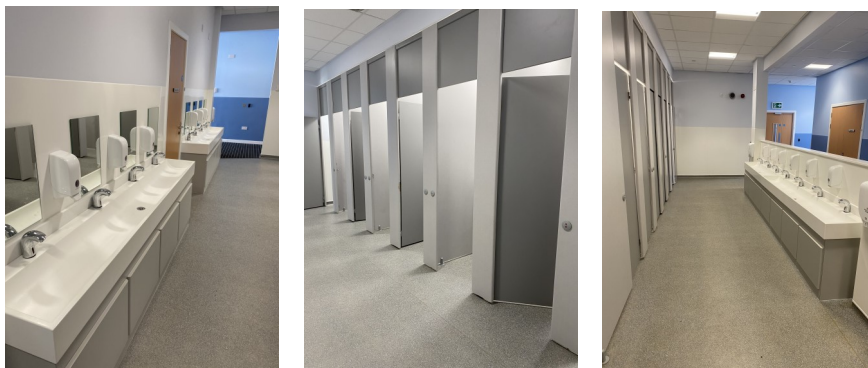

Shared Spaces

This is the Gym Hall and changing rooms. We have great fun in the gym hall developing a whole range of physical skills.

We have 4 sets of toilets in school. These can be accessed during class time as well as during outdoor play.

Learning Spaces

Our classrooms are clean and bright. Each room has a large SMART board for learning and teaching. We play learning games on these too.

We believe in Learning through Play. There are lots of spaces and opportunities for this.

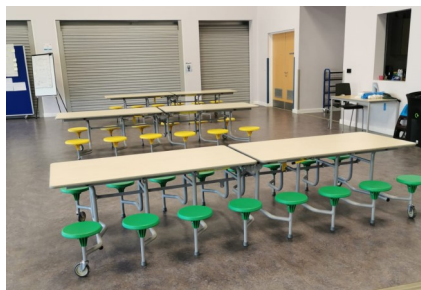

Shared Spaces

This is the Dining Hall. We have our lunch here.

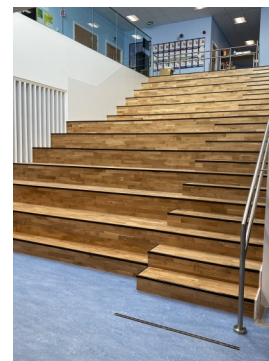

We also have the stage here. This is where we perform our Class Assemblies and School Shows.

We meet together here for our whole school assemblies when we share, sing and talk together.

Shared Spaces

This is the Social Seating area. We sometimes gather here to listen to visitors talk or practise our singing.

This is our school library. We have hundreds of picture books, starter stories, novels and non-fiction books.

We love to get comfy with a book!
