Wider Achievement

Our Wider Achievement Stars for this week.

Well done, everyone! 😊

Wider Achievement this week focused on football, swimming, gymnastics and Irish Dancing.

There was success with children scoring goals in football matches, helping their team to win by working together, showing resilience and determination to perfect a move in gymnastics and many more.

We also heard from Scarlett, Thea and Maisie about their incredible successes at an Irish Dancing Competition at the weekend. These 3 girls are so talented!

We are very proud of you all and are grateful to you for sharing your successes with us.
